activities for Game and Parks takes place for the most part in rural Nebraska. And it's all right for the landowners in the rural part of the state to have a little bigger say in the matters of that. So I think our Game and Parks has been run quite responsibly.

SPEAKER BROMM: One minute.

SENATOR SCHROCK: I think the commissioners do an excellent job of representing the citizens of this state. And I think where the fees should be set for our hunting and fishing should lie with the commissioners, and we should give them the authority to make modest increases as the appropriate time arises. I would hope that you would vote against this motion to indefinitely postpone, and would support the bill.

SPEAKER BROMM: Thank you very much, Senator Schrock. Mr. Clerk.

CLERK: Mr. President, items for the record. Your Committee on Revenue reports LB 72 to General File with committee amendments attached. I have an amendment to be printed to LB 76, by Senator Hartnett. New resolution, LR 26, Mr. President, by Senator Quandahl. That will be laid over. Mr. President, a reminder, Reference Committee will meet upon adjournment; Reference Committee upon adjournment. Actually it's the Executive Board, excuse me; the Executive Board upon adjournment. And a series of name adds: Senator Dwite Pedersen to LB 279; Senator Redfield, LB 232; Senator Wehrbein to LB 332. (Legislative Journal pages 317-318.)

Mr. President, I have a priority motion. Senator Redfield would move to adjourn until nine o'clock, Tuesday morning, January 28.

SPEAKER BROMM: Thank you, Mr. Clerk. The motion is to adjourn until tomorrow at 9:00 a.m. All in favor signify by saying aye. Opposed nay. We are adjourned.
